## ANZMOSS Multidisciplinary Obesity Care Masterclass 2025

Brisbane Convention and Exhibition Centre  
30<sup>th</sup> and 31<sup>st</sup> May 2025

### **SPONSORSHIP PROSPECTUS**

ANZMOSS invites you to sponsor the highly anticipated Multidisciplinary Obesity Care Masterclass, taking place on 30-31 May 2025 at the Brisbane Convention and Exhibition Centre. This two-day event offers a unique opportunity to support a comprehensive, ANZMOSS-endorsed program designed to deliver practical, cutting-edge training for healthcare professionals in the field of obesity care.

The Masterclass is tailored to both early-career and established practitioners working or interested in the field of obesity management, offering a blend of medical, nutritional, surgical and psychological insights from nationally recognised experts. Attendees will engage in interactive sessions that translate the latest research into actionable strategies for patient-centred care. With pre-reading materials provided, participants will be prepared to dive into advanced discussions, regardless of their experience level or practice setting.

This course is designed for all members of the Obesity Care Multidisciplinary team who:

- Are new to or considering a career in obesity care/ management
- Have experience and want to stay up-to-date with the latest advancements in obesity management
- Are eager to enhance their practical skills in patient care and improve collaboration with multidisciplinary care teams.

Whether you're just starting out or looking to refine your expertise, this program is tailored to help you excel in the evolving field of obesity management.

**Expected registrations in the vicinity of 100**

#### **Delegate types:**

- Medical Practitioners
- Nurses
- Dietitians
- Psychologists
- Surgical fellows & trainees with an interest in obesity management
- Exercise physiologists
- Physiotherapists

## Why you should be interested?

ANZMOSS is excited to announce the dates for its 2025 Multidisciplinary Obesity Care Masterclass. This two-day event offers a unique opportunity to connect with and learn from a diverse, multidisciplinary group of practitioners through specialised education and development sessions.

Thank you to your generous support, the 2023 & 2024 programs were a tremendous success, earning high praise from participants. With your continued involvement, ANZMOSS can once again deliver this invaluable professional development experience to both new and existing members of the multidisciplinary team.

## Program Highlights

1. **Lead the charge in pre-operative care**—Understand the critical steps in preparing patients for metabolic surgery, setting them up for success.
2. **Equip yourself with the right tools**—Identify the clinical and practice resources you'll need to safely manage the care of individuals with obesity.
3. **Identify potential complications & implications** following metabolic surgery and the impact on physical, nutritional, psychological, and reproductive health.
4. **Break down barriers**—Gain insight into the real-world challenges faced by individuals with obesity in the healthcare system and arm yourself with strategies to improve access to care.
5. **Collaborate like never before!** —Discover how to seamlessly collaborate with a multidisciplinary team to provide holistic support that empowers your patients.

*A social networking event has been incorporated into this year's program, from 5-6pm on the 30<sup>th</sup> May, on the balcony of the Brisbane Exhibition Centre.*

## Sponsorship Details

We are seeking your support for this meeting in the form of a \$3,800 AUD sponsorship package. (\$4,180 including GST)

### **Exhibition Entitlements**
